THE BRENNER SYSTEM

The Brenner Channel Drain shower system gives you freedom like never before to relax in your true bathroom sanctuary – a safe and secure place enhanced with the knowledge that you are standing on a rock-solid shower base which has been exclusively engineered for Plumbing World, by New Zealand's leading shower manufacturer, Atlantis.

1. THE BASE

Solid and durable, the Brenner shower base is bulletproof and won't flex or move once installed. The Brenner Base can be left as is – a smooth white acrylic tray, or tiled over for the ultimate luxury look. Multiple shapes and sizes, and options for level or raised entry, Brenner is the superior choice.

2. THE SCREENS

Available with hinging doors or our beautiful all new **Soft-Close Sliding System**, Brenner is the solution for every bathroom. 2030mm high nano-coated CristalVision™ 8mm frameless screens, and interlocking glazing channels offer an unrivalled level of quality and security.

3. THE GUARANTEE

So go ahead, let your imagination run free. Shape your bathroom as you like. With the comprehensive 15-year Brenner Leakproof Warranty, you'll truly be able to relax in your bathroom sanctuary. Just choose the base size and screens to suit your needs and dreams, and enjoy...

The Brenner shower tray surface is warranted to be leakproof for 15 years. See brenner.co.nz for more details.

1200x900 2 Wall soft-close sliding system
Acrylic Base Finish & Ellure Walls

ALL BASES COVERED

The Brenner Base can be tiled over, or left with a smooth white acrylic finish. The Brenner System is supplied with a solid base, frameless screens, polished stainless steel channel drain cover, waste fitting, and installation materials.

BRENNER BASE & TILED WALLS

The Brenner Shower completes the tiled bathroom either looking stunning in white, or providing a solid and accurate tiling surface sloping down to the stylish channel drain. It also enables the use of large tiles in the bathroom.
